
Overview:

DGRP7 | Digimura® RP Classic ready pasted wallpaper 166gsm

Just add water! Digimura RP Classic is a high quality, digitally-printable pre-pasted wallpaper that can be installed by practically anyone. It has a CE certification, a commercial fire-rating, and it is PVC free and produces very low VOCs. Digimura RP is an ideal choice for small mural installations in both residential and low-traffic commercial environments.

- A polymer reinforced cellulose - PVC free
- Pre-pasted water-activated adhesive
- Very low VOCs
- CE certified: meets Construction Products Regulations EN 15102
- Fully fire rated for all interior spaces, even when printed
- Perfect for residential designs and murals in low-traffic commercial areas

Applications:

Digimura RP is ideal for residential and other murals in low-traffic commercial areas such as behind display units in retail spaces.

Compatibility:

This product has been tested for use with the following ink technologies;

- Latex
- UV-Curable

Usage and durability:

Digimura-RP wallpaper is pre-pasted and you just need to add water to activate the glue for installation.

Installation and removal is very easy but you need ensure that you have used enough water to activate the glue

As Digimura-RP installation is all about the water, take care to protect the floor of your working area and ensure that there are no electrical hazards.

This product can be washed with soap and water or 409 cleaning solution once printed although care should be taken.
