

Product Datasheet

Overview:

Removable anti-slip fire-rated floor and wall vinyl 150mic

We've got your adhesive flooring needs sorted with this premium textured vinyl. Designed for short to medium term installations, this PVC is suitable for both walls and floors. It comes certified with a powerful R10 slip rating as well as an EN13501 fire rating so it's ideal for public spaces, and can be laid onto concrete, low-pile carpets, marble and mere.

- Tough, textured anti-slip surface
- Achieves R10 slip rating
- Achieves fire certification (EN13501)
- Suitable for indoor, short-to-medium term applications
- Works well on lots of different surface types
- Removable adhesive for efficient removal
- Easily cut by hand or machine to the required shape
- No lamination required

Applications:

With its textured surface and R10 slip rating, this vinyl is ideal for short-term indoor applications including wayfinding, messaging and advertising in public spaces. It can be used on concrete, floor tiles, PVC flooring, marble, wood and laminate flooring, short-pile carpet and much more.
